

TENDER LOVING CARE CHILDREN MINISTRIES

Praise report on the blanket situation in Tijuana and Rosarito, Mexico

Each family was given blankets depending on how many kids were in their household. Parents were deeply touched by the generosity of our generous supporters. For many of these kids this was the first time they received a new blanket. Many lives were greatly helped.

**Dear friends and supporters,
I am so grateful for your generous donations that permitted TLCCM to provide these beautiful new blankets during the cold winter nights last winter.
God bless you all. Sincerely, Denise, Pastors Martin & Angel**
